

## **Blend Therapy Training Courses dates 2016**

**BLEND is a place to be inspired and develop the skills you need to practice and excel at a wide range of Holistic Therapies.**

**Offering advanced training in Sports and Clinical Massage, MyoFascial work as well as a wide range of holistic therapies. Our courses are for qualified therapists who would like to move their clients out of pain quickly and efficiently.**

**We also have a range of inspirational workshops suitable for beginners, singles or couples, who want to discover ways to achieve wellness and balance.**

**Most courses are run at the beautiful Ullet Rd Eco Offices with longer courses running at Greenback Sports centre. We also offer courses at other venues recently including Lancaster.**

**Please contact Tracey for more information or to book on 07739694056
